Dear Parents

Greetings to you!

Please note that, the school is celebrating **“HUNGAMA”, for grades: I to X on 9th Nov, 2019**, which is Saturday from **9:30 AM – 1:00 PM**. This is a programme done for a social cause to help the poor & the needy. We put up stalls of different types and have eatables and things for sale. We donate the amount collected to an orphanage/ old age home identified.

Transport will be provided as usual.

Let, we the VISTA School, take pride to reinforce the theme of social cause and also request you to contribute for the same.

Expecting your positive presence with your kids, family, friends, neighbours and the near and dear.
