

Midschool - News Letter

APRIL- 2022

Success is not a destination, it's a journey. So never stop after you succeed or never give up if you fail.

Dear parents

Greetings from Vista!

Not resting on our laurels, we take you through our successful journey of another academic session, we bring to you the final newsletter for WY 21-22. Challenges were taken head-on and pathways charted to transit smoothly from online to offline as things return to normalcy. Team Vista takes this opportunity to extend their gratitude to you dear parents, for the support and cooperation extended to make the journey worthwhile.

This newsletter brings to you the year that was. The journey is far from over. We have raised the bar and are toiling to soar towards a new firmament with renewed goals. Looking forward to your continued support.

Grade 6:

Experimentation begins: Sprouting of Seeds: Students witnessed how seeds sprout through a hands-on activity.

Edible Parts of Plants: Spices- Students found the cross cultural connect, as they identified different parts of plant which are used as spices, and shared their regional names. Beautiful posters resulted!

Archeological sources: Students interviewed their elders and presented coins from older times which are no longer in circulation.

Speaking skill activity: Presenting an argument on the topic "Nature". Children took initiative and did critical thinking based on the advantages and disadvantages of Nature.

Grade 7: Photosynthesis/ Starch test: In their first lab visit, students observed the test for presence of photosynthesis through the starch test.

Grade 8:
Flowcharting of information: Students used flowcharts in SST to understand the transition from Trade to colonization.

Arts & Craft:
Students learned the art of Silhouette painting.

Teachers behind the scenes

HALL OF FAME
