

Secondary - News Letter

APRIL- 2022

"Success is not a destination, it's a journey. So never stop after you succeed or never give up if you fail."

Dear parents

Greetings from Vista!

Not resting on our laurels, we take you through our successful journey of another academic session, we bring to you the final newsletter for WY 21-22. Challenges were taken head-on and pathways charted to transit smoothly from online to offline as things return to normalcy. Team Vista takes this opportunity to extend their gratitude to you dear parents, for the support and cooperation extended to make the journey worthwhile.

This newsletter brings to you the year that was. The journey is far from over. We have raised the bar and are toiling to soar towards a new firmament with renewed goals. Looking forward to your continued support.

New Academic Year

The COVID-19 pandemic has had devastating impacts on our current generation of learners. Overcoming all the problems of online learning, our class, the first batch of Grade 11 from Vista just finished their academic year last month and started 12th with a renewed vigour. After almost a year of online schooling, students are now more than ready and excited and physical schooling. We will be giving board examinations this year, which will be the first time for our batch to appear for boards, and being the first batch the expectations are high. But challenges have not deterred anyone from Grade 12 of Vista yet. On a lighter note; March has brought to us humid temperatures along with delicious wafts of ripening mangoes, but despite the summer heat, the enthusiasm hasn't been dampened and we hope and pray it remains like this for the rest of this year.

Vivek Roshan

Grade XII

The school began with a bang with the reopening of Grades 10 and 12 (AY 22-23) in the physical mode.

The new academic session AY 22-23 for grade 10, began with an orientation for the parents, who were briefed about Do's and Dont's by the Vice- Principal and the Coordinator.

PARIKSHA PE CHARCHA

The students of the existing grade 10 as a finale event were silent participants of the Pariksha Pe Charcha program where our Prime Minister Mr. Narander Modi interacted with the students in the capital city New Delhi. This event was streamed live and our students watched it.

PRAYER SERVICE

The out going batch of Grade 10, was given a teacher-led secular and spiritual prayer service before the commencement of their Board Exam for Term II. The pious environment became holier when the students were given the spark of wisdom in the form of candle lighting. Parents also showered their blessings and best wishes. The warm atmosphere regaled with the students sharing their memories. Parents commended the efforts put in by the school and went home satisfied and hopeful. To make it more memorable, a Class photo was taken and a photo booth themed with soaring wings was arranged for the students.

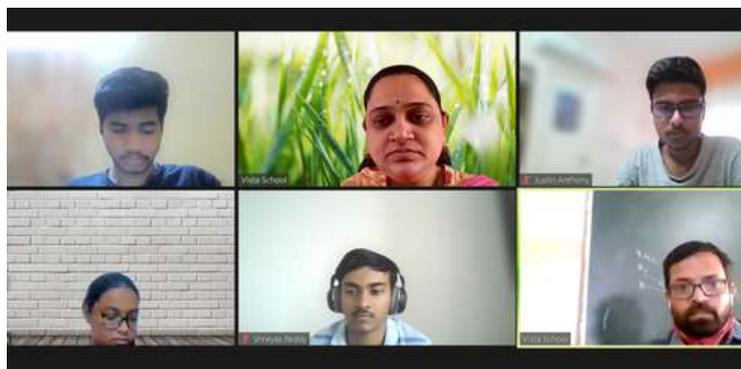

ONLINE REVISION

The year may have ended for grade 10 but the support needed is extended in the form of online revision till they finish their last exam. The revisions are being conducted for one hour on all days including holidays.

IIT/NEET CLASSES

IIT/NEET is being extended to the students during their vacation time through the online platform in order to keep them on track and crack the competitive exams.

ACCESSIBILITY TO LAB

The sophisticated labs have opened its doors to the students to enrich their learning in various domains of science.

IN THE SENIOR SECONDARY CLASS ROOM

The students thoroughly involved themselves in learning within and without the four walls of the classroom. Outside, they played musical chairs and discussed a lesson from English. Inside the classroom, they showcased their acting talent and creativity by role playing an advertisement. All brought cheers and smiles to the classroom.

Teachers Behind the scenes

With students away on vacations, the facilitators were hard at work planning for the new academic session. Here are some glimpses...

HALL OF FAME

Vista International School was awarded the Brainfeed School Excellence Awards 2021-22 as one of the Top 500 Schools of India.

Mridhini, a middle distance runner represented the Ranga Reddy District in 8th Telangana State Middle & Long Distance Athletics Championship and won Silver (2nd place).

Dev Mohini Pyne, Grade XII, made the school proud by cracking Olympiad Exam Term2 with 85.75%.

Aakanksha of grade 2 was awarded the president's award in Srujanotsav.

A Grade 10 student GEETHIKA Ch has penned a beautiful poem of gratitude for her Alma Mater.

Poem -

There is so much to say
But not a word comes out
A silent glance is enough
To start a loud conversation

Our day starts with a song
"Good morning" and ends with a
"Good afternoon"

We want more sleep but we come to school
Not always intending to study but to play
A small chat and snack to share is after all
The only thing we care

Even though there aren't any fish
Our class becomes a market to sell
Even if the pin never drops
We try to stay silent

But when it comes to games
We fight till we get one

It doesn't matter if we speak gibberish
All we care about is that they understand

At last, things come to an end
with the last bell ringing
Everything starts to fade
The laughs, giggles, and sorrows
will continue with the next grade

SCHOOL UPDATES & UPCOMING HOLIDAYS

- School reopens on 1st June for XI
- School reopens on 6th June 2022 for Grade IX, X & XII
